

SHORT CURRICULUM VITAE

SAPOZHKOVA Zhanna

-International Cytology School, Director&senior lecturer

Russia, Moscow, Sheremetyevskaya str, 85 bil 2

-Privat Medical Centre of Podolsk, Moscow Region, Head of Clinical Lab, doctor/cytologist

Russia, Podolsk, Gaydara str, 12A

DIPLOMAS

- M.D.: Faculty of Medicine (1990-1995, Medical University), Kursk, Russia
- Specialty Board: Clinical Laboratory Diagnostic (1997, Medical University), Kursk, Russia
- Ph.D.: Faculty of Prevention Medicine, Department of Clinical Laboratory Diagnostics (2010, Russian Medical Academy Postgraduate Education), Moscow, Russia
- Master Program: Master of Linguistics in Cross-culture Communication, 3 foreign languages, (2015-2017, Sechenov University), Moscow, Russia
- Diploma of Health Organizer: Interregional Center for Life Long Learning in Medicine, Moscow, Russia

TITLE

- Director of International Cytology School
- Head of Clinical Lab, doctor of clinical laboratory diagnostics/cytologist

TEACHING ACTIVITIES

- Course in Clinical Laboratory Diagnostics : 2nd cycle, College of Medicine, Stary Oskol (1999-2004)
- Faculty of Prevention Medicine, Department of Clinical Laboratory Diagnostics, Russian Medical Academy Postgraduate Education, Moscow, Russia (2011-present)
- Institute of Laboratory Medicine, Moscow, Russia (2017-2019)
- International Cytology School (2019-present)
- Organisation of long courses, workshops, satellite symposium of cytology in Russia

RESEARCH INTERESTS

- Sperm Sediment Cytology
- hrHPV in men
